MARTHA BOZMAN

Foreword

THE 1929 McKinleyite is presented by the Annual Staff of McKinley High School. In publishing this book, we have attempted to present in an attractive manner, the activities and departments of high school life. We greatly desire that this material, compiled with the greatest care, will always be a source of fond memories and recollections. The Staff has endeavored to give to the reader a review of the school year, which will adequately represent the activities of each class. We hope that our efforts will be remembered and appreciated by the student body.

SENIOR CLASS REVIEW

UPON entering McKinley three years ago, the class of '29 began a successful, and profitable high school career. It has been our aim during these successive years to uphold the standards of scholarship and good sportsmanship already claimed by McKinley.

The Sophomore year started out well and the members of the class soon showed themselves to be energetic and bent upon making a name for their class. The upper classmen not only wondered but were astonished at the manner in which the Sophs excelled in athletics and other school activities. Several of the Sophomore boys were on the reserve and varsity football and basketball teams while the girls showed marked ability for carrying off the honors in the intramural contests. The first class party was held in the music room and was enjoyed by all who attended.

Our Junior year was remarkable in many ways. We had a surprisingly large number of boys on the various athletic teams and the Junior girls were proclaimed champions in all intramural sports. Several members of the varsity debate teams were Juniors. Two interesting parties were held this year and the Juniors honored the graduating class of '29 at a reception which was held at the Land O' Dance. Perhaps the most outstanding event of the year was the presentation of "The Poor Nut," a rollicking comedy of modern youth. It proved a great success due to the efforts of the cast and the splendid coaching done by Miss Grace Busby.

At the end of the Junior year class officers were elected for the following one. Owen Walker was chosen *president;* John Willig, *vice-president;* Virginia English, *secretary;* and Allen Rudy, *treasurer.*

Our Senior year was probably the happiest and best spent at McKinley. We feel that a great deal of credit should be given the officers and guardians of the class. The guardians were: Miss Hawkins, Miss Heinrichs, Miss Earseman, Miss Leah Stonehill, Mr. Carter, Mr. Porter, Mr. Knauss, Mr. Lanning, and Mr. Malick.

We enjoyed a successful year in basketball as well as in football. Those who received letters for basketball were: Beidler, Earenfight, Ferrall, Green, Lieber, Miller, Printz, Shrake and Zagray. Letters for efficiency in football were received by Cordrey, Culp, Ferrall, Green, Hug, Hutchison, Kirk, Lab, Lieber, Miday, Rudy, Spretnak, Tracey, Walker, Zagray and Zeren.

The Senior Boys and Girls Glee Clubs, combined with the high school orchestra under the direction of Mr. Hanson, presented an operetta, "Robin Hood, Inc." This operetta is a modern version of the old story of Robin Hood and his merry men.

The three parties of our Senior year were even more delightful than those of former years. Those serving on the committees and their advisors deserve praise for their efforts to provide decorations, entertainment and refreshments for these social functions. The crowning event of the year was the reception given for us by the Junior class.

As it is the custom for graduating classes to present the school with various gifts, the class of '29 bought a curtain and an electric curtain control to be used in the auditorium.

CLASS - POEM

By C. LISLE BEAMER

We go not forth like splendid knights of old,
All clad in glorious, gleaming armor bright,
But go from out the dim and honored fold
Of knowledge, to the dazzling beacon light
Of strenuous, worldly life;
And, armored for the strife
With Education's fund of learned joy,
Is found the heart and mind of girl and boy.

As yet, our youth recks not of things of grief;
Our eyes look down where all the gladsome earth
Gleams brightly fair. The troublous times beneath
Are hid by youthful optimism's worth.
We see the works sublime,
Nor view the pain and crime
Which stain the world. We know that for the right
In life's all-glorious battle we will fight.

We reck not of the battles to be fought,
With grim defeat to stare us in the face;
We know that there are honors to be sought,
To every man his own awaiting place.
The pulsing urge bids "Go
And conquer worlds below."
Within our veins in bursting flood today
The blood is coursing, eager for the fray.

The school days past gleam bright as any star
In firmaments of man's glad memory,
And e'er McKinley's name we'll sound afar,
In every realm, o'er land and sea.
But now, we fain would leave,
New burdens to receive,
To share the strife and trouble of the earth,
In hardy effort thus to prove our worth.

JUNIOR CLASS REVIEW

WHEN we entered McKinley High School last year as Sophomores, we were the largest class in the history of the school, coming from Lincoln, Lehman, and Central. As the review of this class shows, we have tried to accomplish many things to uphold the high standard of the school.

Early in November a Junior Councilman and an alternate were elected from each home room. Our next duty was to nominate class officers and nominations for them were voted upon with the following results: Frank Barbour, *president;* David Temple, *vice-president;* Helen Spiker, *secretary;* and Mary Patrick, *treasurer.* The class guardians are: Miss Shelton, Miss Perry, Miss Hastings, Miss Lutz, Miss Haverstack, Mr. Chenot, Mr. Ford, and Mr. Boone. We feel that we owe a large degree of our success to our splendid officers and guardians.

During the year we had three splendid social events. The first one was held in November. Following the entertainment in the auditorium there was dancing in the music room and a motion picture in the auditorium. The music room was very attractively decorated by a committee under the direction of Miss Lutz.

A St. Patrick's Party was held March 1. The music room was cleverly decorated in green and white and the entertainment consisted of a play, magician, and minstrels. This was something different and was enjoyed by everyone. The music was furnished by the "Hughie Shea" orchestra.

The Junior-Senior Reception was the last social event, and was held at Land O' Dance. This was given by the Juniors for the Seniors. It was planned for weeks ahead by the faithful committees and guardians of the class and proved very successful in every sense of the word.

The Junior Class Play "Eva the Fifth" was presented March 15 and 16 in the school auditorium. It was something entirely different and proved a great success. The cast consisted of sixteen members of the class, also a bloodhound, Violet.

The class was represented on the debate team as well as in athletics. There were Juniors on the reserve and varsity football and basketball squads. Those who received the varsity football "M" were: Matthew Fehn, and Clarence Rich. Those that received the varsity basketball "M" were: Kenneth Gerber and Virgil Hinton. The Junior girls turned out very favorably for all sports in which girls participate. The ones that received recognition for hockey were: Spotts, Carrigan, Hebert, Steed, Parker, Faulk, Spelman, Johnston, and Sickafoose. Those who received recognition for basketball were: Spelman, Kerr, Loehr, Gurney, Steed, Spotts, Hebert, Beck, Lloyd, Pritchard, Johnston, Monnard, Stitt, Warlock, Shopbell and Sickafoose.

We sincerely hope that our efforts towards the betterment of the school have been successful, and that we have done all we can toward it. We feel that everything accomplished by us was made possible through the splendid support given us by the other classes. We take this opportunity to thank them, and when next year we are Seniors, we shall try our best to carry on and ably fill the place left for us by the class of '29.

SOPHOMORE CLASS REVIEW

IN SEPTEMBER the largest Sophomore class that has ever attended McKinley High School entered the school with the usual meekness characteristic of a student's first year at a senior high school. We can truthfully say that we now feel quite at home and proud to be a part of such a great institution. This would not have been possible if it had not been for the friendly helpfulness and co-operation of the faculty and other students. The class of 1931 is going to strive to give their best in supporting the school in all its interests and activities, in furthering the ideals handed down by former classes, and in keeping the reputation of the school spotless.

Early in the year the relay carnival, the first interclass event to be held, was staged at Lehman field in which we took first place, overcoming the Freshmen, Juniors and Seniors.

Council members and alternates from each of the home rooms were elected in November. Soon afterward the following class officers were elected: Don Black, *president;* Jeannette Lewis, *vice-president;* Waneta Lyle, *secretary;* and Jack Maxwell, *treasurer.*

On December 14 the first social event was held. The music room was attractively decorated in red and green. The Sophomore Dramatic Club gave a short comedy, the participants being Jane Hershey, Dorothy Patterson, Dick Williams, Bob Miller, Donald Westhover, and Joe Immler. After this there were refreshments, a movie, and dancing. An enjoyable time was had by all who attended.

MARGARET ZUR LINDEN

The reserve football and basketball teams were furnished with some fine material by the Sophomores. The members of these teams deserve much praise for their good work.

The Sophomores supported interclass competition very well. The girls hockey team captured second place, being defeated by the Seniors. The boys basketball A and B teams succeeded in averaging second place in the league standing, the Seniors being declared champions; the girls basketball team, while not winning first place, made an unusually creditable showing: and a volley ball tournament was held for the Sophomore girls. These teams are to be congratulated for their splendid showing among the older classes.

A great number of the students of McKinley High being Sophomores, we tried to co-operate and support the campaigns and activities of the other classes as best we could. Other classes appreciated this support and co-operation that was given them immensely.

The Sophomores, besides furnishing material for McKinley's teams, were on hand at all of the games that they were able, to root for the teams. But we must not only think of supporting athletics but of also maintaining a high average scholastically. In everything that we do let us meet it with a will that will surely mean success.

Much credit for the success of the Sophomore class is due to the interest of our class guardians in helping us through our first year at McKinley High School. The class guardians are: Mr. Young, Miss Hill, Mr. Manfull, Miss Newton, Mr. Rickert, Miss Walton, and Miss Wenrick.

McKINLEY 26—EAST LIVERPOOL 0

THE McKinley High gridders showed up well in their initial appearance of the year against East Liverpool. McKinley was over-anxious in the first half and the two teams played on nearly even terms with McKinley holding the advantage. Settling down to the serious task of making touchdowns, the Canton team, in the second half, displayed a classy brand of football to win an easy victory.

Early in the second half Zeren recovered a fumble on East Liverpool's 20 yard line. Green's consistent slashes at the weak left side of the Potters' line netted the first touchdown of the season for McKinley. The strong forward wall, led by Captain Len Miller, made hole after hole in their opponents line for the combined running attack of Green, Zagray, Lieber, and Fehn.

Miller, Ferrall, and Zeren played a fine game on the line while Green was the outstanding star in the backfield.

McKINLEY 20 AKRON CENTRAL 13

After a discouraging first quarter which ended 7-0 in favor of Akron, McKinley uncorked a furious aerial attack that the Central players were unable to check. Ferrall was the outstanding star of the game snagging pass after pass from the hands of the masterful quarterback, Lab. This method of attack paved the way for the three McKinley touchdowns.

The second half opened with an encouraged Canton team displaying a wonderful exhibition of aerial tactics.

Passes to Ferrall placed the ball on the one yard line twice, Fehn carried the ball over both times, while Ferrall crossed the goal line after a thirteen yard pass from Lab.

Charlton was the star for Akron, making consistent gains around the Canton ends and is the player who nearly upset McKinley's victory. Late in the last quarter he received a punt from Lab and displaying his ability to escape tacklers, raced forty yards to score.

McKINLEY 33—AKRON SOUTH 0

With "Nooks" Lab in the hospital, a badly crippled McKinley team took courage and handed Akron South a 33-0 defeat. Playing straight football Peabody's charging warriors completely overpowered the South team. Dashing around the ends and through the line the Canton backs made large gains.

Captain Len Miller recovered an Akron fumble early in the second quarter on Akron's 22 yard line. After a pretty pass, and several smashing line plunges, the ball was carried over by Green. "Tubby" Walker intercepted a forward pass on South's 35 yard line. Green passed to Lieber who struggled across the last white line for a touchdown. Tracey, Hug, and Milano made the remaining touchdowns.

Much praise is due to the team for taking courage and playing such a remarkable game while their quarterback was undergoing a serious operation. The kicking of Zagray was exceptional, time after time outpunting Sauers, the Akron star.

McKINLEY 0—YOUNGSTOWN RAYEN 18

A tired McKinley outfit received its first setback in twelve starts at the hands of the strong Youngstown Rayen aggregation. Touted as one of the best teams in the state, Rayen lived up to its reputation.

Had the McKinley squad not had an off-day and played their usual brand of good football the score probably would have been different. They came within scoring distance several times but lacked the required punch at the critical moment to break through the strong opposing line. Captain Miller, Hug, Tracey, and Ferrall played well on the line with Zagray and Fehn best in the backfield.

The Rayen team outweighed and outplayed their opponent; their strong line showing plenty of strength and many times holding the McKinleyites for downs. Comiskey displayed nice broken field running when, at the beginning of the third quarter, he raced 55 yards for a touchdown.

McKINLEY 13—STEUBENVILLE 13

Before a capacity crowd of 8,000 fans the Red and Black warriors from Canton staged a comeback in the third quarter scoring two touchdowns to tie the score with Steubenville, thus winning a moral victory. McKinley entered the game as the underdogs and were not conceded a chance to score by ardent Steubenville fans. But, at the beginning of the second half, with the score 13-0 against them, the McKinley gridders, inspired by a break, displayed the most courageous comeback that any visiting team had shown for quite some time. This was the first time that

the "Stubbers" had been scored on by a McKinley eleven in their four contests.

Steubenville marched through Canton's team to score in the first and second periods. With courage and determination McKinley opened the second half battling Steubenville on even terms.

Tracey broke through the line, blocked Le Van's punt and fell on the ball for a touchdown. Later in the same period Le Van fumbled Spretnak's punt, which was recovered by Ferrall on his opponent's 20 yard line. After several passes Zagray plunged over the last marker. Lieber drop-kicked, tying the score.

McKINLEY 19—YOUNGSTOWN EAST 0

Playing on a slippery, muddy field and in a drizzle of rain Youngstown East was out-classed and defeated by the McKinley team. Displaying a classy brand of football, and aided by a few fumbles and much skidding around on the wet field, Canton had little trouble in disposing of East.

Taking advantage of a break in the first quarter McKinley scored its first touchdown. Passing proved to be of use in the first three quarters and the game turned out to be an aerial battle between the teams with Peabody's team holding the advantage. The game proved on the whole uninteresting until the fourth quarter when Canton started a march towards the goal, aided by accurate aerials. Completing pass after pass over the Youngstown defense, the McKinleyites were invincible and tallied twice to win.

Hutchison displayed his ability as a running back, while the line played excellent ball on the defense.

McKINLEY 32– ALLIANCE 0

The McKinley High warriors trampled over a light, inexperienced Alliance eleven in their first game with a county scholastic contender. From the first touchdown to the last it was evident that Canton had the best team and consequently they dashed through the Alliance line easily.

In the first quarter McKinley made two touchdowns after marches from beyond midfield. Lieber plunged over the marker once and Ferrall scored again by snagging a pass. Green entered the game at the half and made the three remaining touchdowns.

Outstanding in the aerial game for Canton were Ferrall, Spretnak, Green, and Lieber. Ferrall and Lieber were on the receiving end of the passes which were being thrown by Green and Spretnak. Captain Miller played a wonderful defensive game and he was also shifted to end on the offense to catch passes.

The whole team played heads-up football throughout the entire contest.

McKINLEY 7—CLEVELAND COLLINWOOD 18

Cleveland Collinwood invaded Canton with a highly-touted outfit and handed the McKinlevites an overwhelming defeat in the seventh game of the season, thus furnishing the feature setback of the year for McKinley. In the second quarter the Collinwood team scored three touchdowns in rapid succession. Fumbles and intercepted passes, combined with a vicious line attack, brought about this scoring rampage.

As a result of fumbles Velvick carried the ball over twice and Zyak intercepted a pass and slipped over the line for the Clevelander's final touchdown.

Outside of the second quarter Canton played a good game and on four different occasions they advanced deep into the Collinwood territory. But only in the last quarter could they muster enough strength to carry the ball over, Jimmy Kirk doing this job.

Jim Kirk showed his ability to skirt the ends and was the most consistent ground gainer for Canton. Len Miller played his usual fine defensive game, and Ferrall's vicious tackling stopped the Collinwood backs time and again.

McKINLEY 32 DAYTON STEELE 0

The Red and Black gridders played their finest brand of football of the season and crushed the highly touted Steele combination, 32-0. With Ferrall playing his first game in the backfield, the team tore through the Steele line and around the ends with a daring ferocity.

Captain Miller recovered a fumble early in the first quarter. Ferrall gained around end and a pass to Green took the ball over. In the second quarter Spretnak returned a punt to his opponent's 30 yard line, after a touchdown was called back on account of holding. Ferrall received a 10 yard pass and raced 17 yards for a touchdown. Green tallied again on a beautiful run as the quarter ended.

Spretnak, the midget quarterback, came into the spotlight by his brilliant punting, passing, returning of punts, and racing around the

ends for nice runs. Green, Ferrall, and Rudy proved the big factors in the running attack. The Canton line outplayed the strong Steele line both on offense and defense.

McKINLEY 7—MASSILLON 0

The fighting McKinley bulldog smashed its way to a 7-0 victory over its old rival, the Tiger, from Washington High School of Massillon, thus acquiring another county championship title. The final game of the season was played on a muddy field at Massillon. McKinley outplayed their worthy rivals in every department of the game, but was able to score only one touchdown, which came in the second quarter after several well executed passes. Several times during the game the Tigers showed some real strength and started drives toward the Canton goal only to be stopped by Canton's strong forward wall before the scoring zone was reached.

The second quarter opened with Canton having possession of the ball on the Orange and Black 42 yard line. On the second play Green carried the ball to the 29 yard line. Spretnak passed to Green for 13 yards; and another pass put the ball on the two yard line. On the following play Green carried the ball over and Spretnak kicked goal for the only points of the day.

In the last half the play was exceedingly slow and the ball changed hands many times. However Canton's superiority on offense stood out in contrast with the stubborn Massillon defense. Spretnak and Green led the offensive, with Captain Miller and Ferrall playing the leading roles on the defense.

VARSITY BASKETBALL

COMPETING against the strongest teams in the state McKinley can boast of a highly successful basketball season. Playing nearly every Friday and Saturday nights during the season, which is a difficult task for any team to perform, they pulled through the season defeating fourteen of the best teams in the state and losing only three games during the regular season of scheduled games. Besides this feat they won the district meet at Akron for the second successive year and journeyed to Columbus.

Coach Peabody was well supplied with players when the first call was issued. Among these were three lettermen, Captain Beidler, Ferrall, and Miller, around which the team was to be built. And the other positions to be filled in by last year's Reserve team. It was evident after the first game that the following players formed the best combination: Beidler or Earenfight at center; Lieber, Beidler, or Shrake at forwards; and Ferrall and Zagray at the guards. This combination was used to the best effect during the entire season. The fast and accurate passing attack of this combination was feared by all the teams that it met. A last quarter rally attack was developed to such a proficiency by Coach Peabody that it won many of their games in the last minutes of play.

In the scheduled games McKinley scored 610 points to the opposing teams 465, averaging nearly 37 points to a game. Lieber was the big shot of the team, his uncanny ability to make baskets from any angle of the

floor resulting in his being high point man of the season with 191 points. Shrake was next with 102 points.

McKinley opened the season with a victory at the hands of the strong Columbus East team. The team played good ball in their initial appearance and won 35-30.

The following week also proved fatal to another Columbus team. Columbus Central with a strong team was favored to win, but they were baffled by the strong offensive drive ending in a 41-30 victory for Canton.

In one of the closest and most exciting exhibitions of the winter pastime ever witnessed in this city, Peabody's Red and Black basketeers won 42-41 in an overtime battle against the invading Dayton Steele crew. The effects of the hectic struggle of the previous night proved bad when the invading Canton team met a 27-21 defeat at the hands of a weaker Mansfield team.

Playing a nip and tuck game McKinley plastered a 37-34 defeat on the dangerous Akron South squad which came only in the final moments. For the second straight Saturday the team lost another out-of-town game after a hard battle on Friday. This time it was Dover, the score was 34-28.

McKinley disposed of Alliance in the first county tilt of the season 33-27. And on the following night won their first road game of the season from Akron Central 29-22.

Massillon was badly beaten 32-17 when the Red and Black ran wild in the last half, breaking through their strong five man defense time after

time to sink baskets from short range. Journeying to New Philadelphia the next day they won an easy game 45-11.

Playing at Cleveland, with their bulldog spirit, they handed Collinwood the severest defeat in the history of the Collinwood school, winning 30-19, when no team had ever scored more than 24 points against them. At East Liverpool the next day McKinley came from behind in the fourth quarter with one of the greatest drives ever seen on that floor and won 41-34. Lieber scored 24 points.

Cleveland Glenville was easily outclassed and suffered a 32-13 defeat.

McKinley became the county champions upon defeating Alliance for the second time. The score was 36-28. The following week Youngstown South, a highly-touted quartet, was beaten 47-23.

With the county championship already won, McKinley had an off night and experienced a 35-24 defeat at the hands of Massillon in a poorly played game. Saturday, running up their largest score of the season, they won their final scheduled game from Warren 58-20.

We wish to express our appreciation to Coach Peabody and his players for their highly successful season. We are proud of the true spirit of sportsmanship which you displayed at all times during the games, and of the compliments given by the referees on the extraordinary clean playing. You have proven to us your true worth and ability as basketball players which we will not forget for some time.

Trophy won at the Northeastern Ohio Basketball Tournament

TOURNAMENT PLAY

FOR the second successive year the McKinley High cagers entered the state scholastic tournament at Columbus, but did not attain the great achievement of last year as being runner-up to the state champions, Dayton Stivers. Entering the state tournament as one of the representatives from northeastern Ohio and having one of the school's finest season records, they played a mediocre game of basketball and lost to the Portsmouth Trojans in the first game.

In the first round of play at Akron they easily beat Ravenna 42-17, and this win entitled them to meet and defeat Akron East the next afternoon 29-22. The same night they were matched against one of the strongest teams in the tournament, Youngstown Rayen. At the end of the first half Canton was trailing 23-12, but in the next half they accomplished the impossible by making a great comeback and won 31-28.

Returning the next week McKinley beat Lorain 25-23 and in their finals beat Akron South 21-14 in a thrilling game which entitled them to play in the finals at Columbus.

Lieber and Ferrall were awarded all-tournament honors. Ferrall was judged as one of the best players at the Akron tournament.

Traveling to Columbus with great expectations they lost their first game to a classy Portsmouth team 33-21.

RESERVE FOOTBALL

THIS year Coach Ward Young produced his usual fine Reserve football team which was developed from a choice pick of inexperienced Juniors and Sophomores; and by the looks of their successful season they will be capable of filling the varsity berths next year. George Mottice, a veteran of last year's Reserve team, was chosen as the most capable man to fill the position of captain of this team.

In eight hard scheduled games this team outclassed their opponents and scored 187 points to their 33 points. The leading scorer of the season was Paul Schott with 59 points. He was a halfback and greatly aided the success of the team by his brilliant playing.

The Reserves in their initial encounter of the season defeated Malvern 26-0 and next romped over Brewster in an easy 60-0 victory. Their third victim, Akron West Reserves, caused them little trouble and were beaten 38-0; and also Navarre 25-0. But their fifth encounter proved disastrous and they were handed a 13-7 setback by Louisville after a hard struggle. A desperate fought game was lost to Carrollton 6-0 and being unable to overcome its losing streak they lost the next game to the Akron South Reserves 14-6. Coming out of the slump in their last game they won from St. John's 25-0.

RESERVE BASKETBALL

AGAIN Coach Carter displayed his ability for turning out splendid reserve teams, and produced a team which lost only two games during their entire season. In the last seven years Carter's Reserve basketball teams have won 93 out of 100 games.

This year's team played a wonderful offensive game and scored 631 points to their opponents 294, averaging over 37 points a game. Grady Odom was high point man with 201 points and Captain Don Black next with 126 points.

The results of the games are as follows: Akron West Reserves 39-23; Louisville High 42-13; Dennison High 49-5; Akron South Reserves 30-25; Dover Reserves 50-16; Alliance Reserves 37-26; Akron Central Reserves 21-18; Massillon Reserves 54-20; New Philadelphia Reserves 37-9; Collinwood Reserves 17-12; East Liverpool Reserves 37-17; Cleveland Glenville Reserves 48-10; Carrollton High 38-20; Alliance Reserves 23-28; Continuation School 39-22; Massillon Reserves 17-22; Warren Reserves 53-9.

The five players who carried the burden of the task were Don Black, Roy George, Bob Forsythe, Grady Odom, and Robert Schreiber. All of these players are Sophomores and will assure McKinley of a fine varsity team for the next two years. Other players on the squad were Davis, Fehn, Frizzell, Hartsel, E. Schreiber, and Swihart. Gerber and Hinton of the varsity also received Reserve letters.

VARSITY TRACK

LAST year Coach Young turned out one of his best track teams, winning all the dual and triangular meets, besides placing well at the Lakewood relays and at the State meet. The four new school records that were made are the following: the 440 yard dash by Rudy in 52.9 seconds; the 880 yard dash by Rudy in 1:59.5; while the relay team composed of Campbell, Barbour, McCormick and Rudy ran the 880 yard spring relay in 1:38.8 and the mile relay in 3:41.6.

With the following lettermen: Rudy, McCuskey, McCormick, Mason and Hummel, as a nucleus, Young expects to develop a strong team. The tracksters have made a good showing in the first two meets by defeating Akron South 80-68, and winning a triangular meet with Salem and Akron Central, McKinley having 73.4 points, Salem 56.7 points and Akron Central 20.9 points.

The most outstanding man so far this season has been our pole vaulter, Don Hummel. In the interclass meet Hummel vaulted 10′ 8″ for a new school record and in the first meet of the year he cleared the bar at 11′ 1¾″ to again set a new record.

The schedule for the season follows: April 20, Akron South; April 27, Triangular Meet, Salem, Akron Central, and McKinley; May 3, Wooster; May 11, Massillon; May 18, District Meet; and May 24 and 25, State Meet.

MARGARET ZUR LINDEN

First Row—Quayle, Shyrock, Soldatits, Fischer, Sautters, Bohrer. Second Row—Moore, Beatty, Hanna, McCormick, Clark, Coach Brannin.

VARSITY SWIMMING

IN HIS first year at McKinley Coach Brannin turned out one of the high school's best swimming teams. Many hard workouts put his team in condition to show up well in the numerous meets which he had planned for them.

In the dual meets the swimming team split even, winning four and losing the same number. The results of the dual meets are: Akron East 45, McKinley 25; Mansfield 10, McKinley 52; Akron East 40, McKinley 28; Mansfield 20, McKinley 42; Cleveland West Tech 40, McKinley 28; Ashland 20, McKinley 48; Cleveland West Tech 38, McKinley 30; and Carnegie Tech Freshmen 22, McKinley 40. In the Northern District meet at Cleveland, McKinley placed third; and won a big meet at Wooster against a field that included Ashland, Wooster, Akron East and Mansfield.

The high point man of the season unexpectedly turned out to be a Sophomore. Moore showed his ability by scoring 56 points; Quayle, the fancy diver of the team, was second with 54¾ points. Joseph was third with 50⅓ points; followed by McCormick with 47 5-12 points and Kirk with 43¾ points.

Expectations for next year's team are very bright with the following letter men back: Moore, McCormick, Beatty, Soldatits, Sautters, Fischer, and Shyrock. Using these men as the nucleus for his team, Brannin expects to develop a still stronger team next year.

MARGARET ZUR LINDEN

First Row—Pavlinich, Moran, Mottice, DeYarmon, Wolfe, Spretnak, Fehn. Second Row—Odom, Griffin, Plaver, Ferrall, Pizzolato, Fife, Kutrieb, Printz, Zagray. Third Row—Rohrer, Willig, L. Miller, Burkhart, Howenstine, Cordrey, Parker, Calhoun, Coach Peabody.

VARSITY BASEBALL

LAST year Coach Peabody introduced the fast increasing sport of baseball at McKinley. Organizing a new sport in a school is a very difficult task for any coach to perform, but Peabody and Carter surpassed all the difficulties and produced a team which lost only two games during the season. This is a very remarkable record for the coaches to establish in baseball's initial appearance at McKinley.

Other laurels, besides winning nine out of eleven games, was their winning of the Northeastern District Tournament at Columbus.

Now for a word or two about this year's team. With the return of seven letter men: Spretnak, Printz, Zagray, Ferrall, Wolfe, Howenstine, and Pavlinich, Peabody expects to develop a still better team than last year's. From among these letter men Spretnak was appointed captain of the team. In their first game of the season McKinley displayed their power and badly defeated New Philadelphia 17-5. This is a very good start, let's hope that the season ends in the same way.

The rest of the schedule is as follows: April 26, Warren; May 1, Mt. Union Fresh; May 3, Salem; May 8, Orrville; May 10, Mt. Union Fresh; May 11, District Tournament; May 15, Orrville; May 17, Salem; May 22, New Philadelphia; May 24 and 25, State Tournament; and May 29, Warren.

CHEER LEADERS

THE cheerleaders do their share towards producing good athletic teams at McKinley. They are just as loyal to their school and athletic teams as the players; there are times when the team is in a tight pinch and by the cheering for them which is directed by the cheerleaders, the team often takes courage and plays better than before to win the game.

At the beginning of the year the cheerleaders were elected by the popular vote of the student body. The Senior cheerleaders were Willig, Watkins, and Christensen; Juniors were Miller and James; and a Sophomore, Maxwell. These boys were always on hand to lead the cheering at the football games and faithfully did their share towards helping their team win. At every basketball game and at the tournaments they were always seen leading their student body in cheers for the team.

Their duties did not alone include the athletic games and activities outside of school; but at nearly every assembly, regardless of its type, they were to be seen on the stage ready to lead a rally or to applaud a speaker. They helped to bring about the co-operation at the assemblies of the student body.

We wish to congratulate these boys on their loyalty and good will which they displayed in carrying out their work.

YALE-HARVARD GAME

AT THE end of the basketball season, Miss Whitlock, girls' athletic coach, chooses girls that are the best players on the Sophomore, Junior, and Senior teams to play in the Harvard-Yale game. All girls are chosen she knows will be good sports, show lots of school spirit, good sportsmanship and all the things that are essential to it, also girls she thinks will take defeat without kicking or blaming it on anyone.

This is the game that causes the most excitement of all the girls basketball games. It is played in the music room and is attended by both boys and girls. There is always a lot of competition, because of the even match of both teams.

During the intermission of the game there is some kind of entertainment given by the Girls Booster Club.

The game this year was held on March 11. It was a good game all the way through, Harvard coming out first, making a score of 26-22. Both teams put up a good fight.

The lineup for Harvard was: H. J. Johnston, captain; D. Loehr, V. English, E. Johnston, T. Claypool, V. Giles, D. Sommers, E. Smith, M. Tidrick, M. Spotts; the mascot was Gretchen Roemer.

The lineup for Yale was: E. Spelman, captain; E. G. Gould, M. Shaeffer, H. Steed, B. Feightner, C. Pritchard, L. Kerr, D. Wynn, B. Hess, C. Lundy; the mascot was a bulldog.

Mary Long and Jeannette Lewis were cheerleaders for the Harvard and Yale teams respectively.

SENIOR GIRLS' HOCKEY

GROUND sticks—ground sticks—ground sticks—Hit! was the familiar cry as the girls practiced and played hockey on Harter's field. As a result of their hard practices the Seniors went through the season without a defeat. Once or twice it seemed that defeat was inevitable, but the team nosed out their opponents. The Weather Man was unusually kind, and almost all the games were played on the scheduled date.

All of the games were hard fought, and the scores were close. The first game with the Sophs ended 7-2. In the second game with the Juniors, the Seniors had to fight every second to win, as shown by the score 7-6. The next game with the Sophs ended 7-6. The grand finale with the Juniors and the last game to be played by the Seniors at McKinley High ended 11-2. For their fine work the girls were awarded numerals. This is the second year that they have won their numerals in hockey. We wish to thank Miss Whitlock for her able coaching during the three years we have been at McKinley.

The regular players were: Beulah Feightner, Elsie Gould, Clara Louise Huntsberger, DeVere Bassinger, Dorothy Noble, Edna Smith, Bettie Hess, Janet Delp, Emma Kaufman, Ada Zaugg, Katharine Zaugg, Nellie Smith, Bernice Converse, and Hester Jane Johnston, *captain*. The substitutes were: Dora Goodwin, Ruth Overly, and Dorothy Hennessey.

JUNIOR GIRLS' HOCKEY

THE Junior girls started out the hockey season by tying the Sophomores 6-6 in one of the best games played during the season. The game was close throughout with neither team having more than a one point advantage. This game was played October 18 at Harter's field where all of the other games were played. In the next game October 30, the Seniors triumphed over the Juniors by the score 7-6.

In the next Sophomore game the Juniors went down to defeat 5-1. Likewise in the next Senior game 11-2. This gave the Seniors the "Hockey Pennant."

Many of the games were postponed on account of rain, and because of no rush in the season, the teams waited until the field was in good playing condition.

An enthusiastic crowd came to the games and proved that hockey was coming into its own in the way of a school sport.

While the Juniors did not win any games, they still have the spirit and are coming back next year more determined than ever. Miss Whitlock and Miss Andrews umpired all the games. The team was made up of the following girls: Marjorie Spotts, *captain;* Eleanor Spelman, Edra Johnston, Eva Carrigan, Dorothy Stitt, Mary Catherine Hebert, Martha Sickafoose, Virginia Parker, Dorothy Monnard, Margaret Smith, Hazel Steed, Cornelia Pritchard, Helen Shelt, Thelma Claypool and Janet Alper.

SOPHOMORE GIRLS' HOCKEY

THIS was probably the most successful and most exciting season that hockey has ever had since it was introduced three years ago. A great deal of enthusiasm was shown and there was keen competition for positions on the team. The Sophs this year made a better showing than any other Sophomore class has ever made for they almost won the interclass championship from the Seniors who were the final victors.

Their first game was with the Juniors and ended in a 6-6 tie. This was the most exciting game of the season for it showed what a fine team the underclassmen had. The Seniors won the second game but only after a hard fought battle. The score was 7-2. The Sophs won their second game with the Juniors 5-1 and lost the next game to the Seniors 6-7.

We were favored with good weather this year and the games were played off in a short time. Considering the good record they made this year, the Sophs expect to win next year.

The following are the members of the Sophomore team: Pat Ross, *captain;* Waneta Lyle, Ruth Ann Crammer, Dorothy Sommer, Inga Larsen, Gwen Williams, Ellen Peters, Helen Burnside, Marie Bowman, Mary Sponseller, Alliene Tate. The subs were Melba Miser, Jeanne Swift, June Reed, June Nagely, Eleanor Quigley, and Jane Daily.

SENIOR BOYS' BASKETBALL

THE Seniors followed in the footsteps of the other Senior classes for the last four years and again emerged victorious in the intramural basketball tournament. The more experienced Seniors played a much superior brand of ball than the other teams and lost only two games during the season.

The A team played an aggressive type of offensive ball and in the opening game got off to a fine start by trimming the Sophomores 27-15 in an interesting game. Next the Juniors succumbed to the attack of the Seniors and lost by a two point margin 28-26. Again the Seniors clashed with the Sophs, but this time they were conquered by their more youthful enemies 21-29 in a game which featured the determined offensive work of the Sophomores. In their final game they again beat the Juniors 30-11 in a one-sided game.

The B team enjoyed the same success as the A team losing only one game during the season. In their first game they were trounced by the Sophomores 32-14. But in their next game they nosed out the Juniors 29-27 in an exciting game. In the second round they met and easily beat the Sophomores in a one-sided game 27-8 and won the final game from the Juniors 15-10 in a close contest.

SENIOR GIRLS' BASKETBALL

THE Senior girls were very successful this year with their basketball games. The first game was with the Sophs. The Seniors won both games by scores of 33-26 for the A team and for the B team 34-27. The second was with the Juniors which was about the most exciting game of the season. First the Seniors were ahead, then the Juniors; at the end it was a tie score. The Seniors were somewhat calmed down when the Senior B team lost to the Junior B team by a score 24-28.

The Seniors then ran away from the Sophs, in the next games winning both by pretty large scores which were: A team 43-15; B team 32-23. The second Junior-Senior game was not quite so exciting as the first one. The scores 21-16 and 33-29. The Senior A team in their next encounter only left their opponents, the Sophs, have six baskets, but the B team lost by ten points, 25-35.

Everyone was expecting to see a very exciting game when the Juniors met the Seniors for their last battle because, if the Juniors won, they would have been tie for the championship but they lost by ten points, 29-19. The B team had one good scramble as is proved by the score which stands 32-30 with the Seniors ahead. The Seniors in this way won the championship and received their numerals.

JUNIOR BOYS' BASKETBALL

AFTER finishing second in interclass basketball last year the Juniors did not come up to pre-season expectations this year and finished last in the competition. Their teams consisted of a snappy bunch of cagers but they lacked the final punch that was necessary to win their games.

The A team had a disastrous season losing all of their games. In their first game the Juniors were nosed out by the Sophs 15-12, only after a determined rally by the Sophs. After an evenly matched game they lost to the Seniors by a two point margin 26-28. And again they were beaten by the Sophomores 30-15 while the Seniors trounced them in their last game 29-21.

The B team fared somewhat better than the A team winning two of their games, both at the expense of the Sophomores. This team was made up of scrappy players, who were feared by the Seniors. They made an impressive beginning by beating the Sophomores in the first game after a hard struggle 28-25. Next a close game was lost to the Seniors 27-29 and their second game was won from the Sophomores 25-16. In the final game they lost to the Seniors 15-10, both teams playing a good defensive game.

We wish you better luck next year, Juniors.

JUNIOR GIRLS' BASKETBALL

WHEN the call came for the girls to turn out for basketball enough Juniors turned out to make up two teams and have two substitutes for each. The Juniors practiced on Tuesday nights and though these workouts were hard and some times hot, they were lots of fun and the girls enjoyed them.

The Juniors had a more successful season than last year, the A team winning three, tying one, and losing two; and the B team winning four and losing two. The Juniors had hopes of winning the numerals, but the last game, which was lost to the Seniors, spoiled the chances.

The Juniors did not choose definite teams but tried to give each girl a chance to play on the first team. The girls who played put their hearts into the game and did not stop until the last whistle was blown.

The following girls were on the teams: Marjorie Spotts, *captain;* Dorothy Loehr, Sammy Claypool, Hazel Steed, "Corny" Pritchard, Eleanor Spelman, Leora Kerr, Edra Johnston, Martha Sickafoose, "Kate" Worlock, Mary Lloyd, Wilma Gurney, Sara Beck, Mary Catherine Hebert.

The scores for the A teams were as follows: Juniors 44, Sophomores 37; Juniors 31, Seniors 31; Juniors 34, Sophomores 7; Juniors 16, Seniors 21; Juniors 36, Sophomores 26; Juniors 19, Seniors 29.

For the B team: Juniors 30, Sophomores 19; Juniors 28, Seniors 24; Juniors 36, Sophomores 23; Juniors 29, Seniors 33; Juniors 50, Sophomores 24; Juniors 30, Seniors 32.

SOPHOMORE BOYS' BASKETBALL

FOR the second time in two years the Sophomores have finished second in the interclass basketball competition. The Sophomores possessed a fast and accurate team which proved dangerous and was feared by the other teams. With eight Sophs on the Reserve basketball team the class team was without the services of the best players in their class. But from inexperienced players Coach Young produced a team which won four and lost four of their games.

The A team lost only one game during the season which was to the interclass champions, the Seniors. After a poor start they lost the first game to the Seniors 15-27. In their second game they overpowered the Juniors in a close defensive game by a score of 15-12. In the next game they took revenge by defeating the Seniors in a hard fought game and won 29-21, then in the final game they won from the Juniors 30-15.

The B team did not fare so well losing three out of four games. They started out good by winning their first game from the Seniors 32-14. But they lost two games to the Juniors 25-28 and 16-25, and the last game to the Seniors 3-27.

Keep up the good work, Sophs, we will expect more from you in another year.

SOPH. GIRLS' BASKETBALL

ALTHOUGH the Sophomores can claim but one victory in the interclass competition they played hard and never gave up until the final crack of the gun.

In the first game the Juniors experienced some difficulties in registering a 44-37 defeat. The Seniors won the next game 33-26. The second with the Juniors resulted in a rough and tumble game which the Juniors won 34-7. The third game with the Seniors ended 43-15. The score fails to show a very hard fought and interesting game. The Juniors again won from the Sophomores, nosing them out in the last quarter, 36-26. In the final encounter the Sophs tried hard to register a victory but the height and experience of the Seniors proved too much to overcome and the Seniors won 34-12.

The B team after losing five games came back strong and trimmed the Seniors 35-25 in one of the most exciting games played this year.

With the experience gained this year and with hard practicing and due coaching, much may be expected of the Sophomores in the future.

The girls on the A team were: Ruth Ann Crammer, *captain;* Waneta Lyle, Pat Ross, Ellen Peters, Inga Larsen, Dorothy Sommer, Alliene Tate, Margaret Tidrick.

The girls on the B team: Betty Oberlin, Elizabeth Fehn, Mary Jane Stiffler, Jeannette Lewis, Irene Sabo, Katherine Frease, Gwendolyn Williams, Jeanne Swift, and Evelyn Binns.

SENIOR BOYS' TRACK

FOLLOWING the old tradition the Seniors again won the interclass track meet from a formidable group of Juniors. Most of the opposition came from the Juniors and little from the Sophomores. The final scores were: Seniors 79½ points, Juniors 64½ points, and Sophomores 3 points.

Al Rudy, the Senior captain, had such track men as McCuskey, Kell, Hummel, Kirk, Ferrall, Zagray, and Adams to form his team from. Ferrall and Zagray handled the field and weight events; McCuskey, Kirk and Adams in the dashes and hurdles; and Kell in the mile.

Hummel proved to be the outstanding star of the meet by breaking the school record in the pole vault. He easily cleared the old record of 10′ 3″ and a few moments later established a new school record of 10′ 8″, surpassing the old record by 5.″ He also won the broad jump. Al Rudy, holder of the state record for the half mile, won first places in the 220 and 440 yard dashes and would have taken first in the 880 but he was not permitted to compete so that the other runners would have a chance. Other Seniors to take first places were: Kell, in the mile; McCuskey, in the 220 yard hurdles; Kirk in the 120 yard hurdles; and Zagray in the shot put.

Kell, Kirk, McCuskey, and Rudy won the relay.

SENIOR GIRLS' TRACK

SENIOR girls who came out this spring for track are going to do their utmost toward capturing the championship and they leave McKinley feeling they have accomplished much in all their activities.

The Senior girls have always turned out well for every kind of athletics, have worked hard and have accomplished much in the line of interclass championships.

There is always a lot of competition between the Sophomores, Juniors and Seniors, but the most competition is between the old rivals, the Juniors and Seniors, each trying hard to make their class the victors.

The Senior team this year will be built around Clara Louise Huntsberger, Edna Smith, Beulah Feightner, Lucille Schumacher, Evelyn Bohrer, Bernice Converse, Margaret Everhard, Helen Rost, Gladys Cole, DeVere Bassinger.

Last year the Senior girls who took part in track were: Gladys Cole, third, in the first heat of the 50 yard dash; Beulah Feightner, second, 100 yard dash; Bernice Converse, first, running high jump; Clara Louise Huntsberger, second, shot put; Bernice Converse, first, standing broad jump; Clara Louise Huntsberger, second, javelin throw; Bernice Converse, first, hop, step and jump.

The girls fought very hard last year and tried to beat their rivals but they were not successful in their attempt; for at the end of the track season the Juniors had a final score of 25 points, losing to the Seniors by 22½ points and to the Sophomores by 6½ points.

JUNIOR BOYS' TRACK TEAM

THE Juniors did not quite come up to expectations after placing second last year with a three point margin from the winners. They furnished the Seniors with plenty of hard opposition but were unable to overcome their large lead. The Juniors scored 64¼ points against 79½ points for the Seniors.

McCormick, Barbour, Ross, Benson, Schott, Adair, Clevenger, Frizzell, L. Mason, R. Mason, Hayes, and Van Orman formed the nucleus of the team. Barbour, Ross, McCormick and Van Orman took care of the field and weight events, with Clevenger and Hayes in the pole vault.

Dean McCormick was high point man of the meet this year as he was last year. He scored a total of 20 points by winning first in the 880 and high jump; seconds in the 440, 220 hurdles, and broad jump; and fourth in the 220 yard dash. Juniors who placed first in other events were Barbour, Schott, and Benson in the 100 yard dash, javelin, and discus respectively. The men who placed second in events were: Ross in the 100 and 220, Clevenger in the pole vault and Adair in the high jump. Third places were taken by Frizzell in the 100 yard dash, Barbour in the 220 yard dash, Mason in the 440, and Van Orman in the discus.

By their good showing the Juniors placed twelve men on the Varsity track team.

JUNIOR GIRLS' TRACK

WHEN the call for track came this year many of the Junior girls turned out. The weather proved favorable and everything went just fine. Many girls from last year's track again came out this year.

The Juniors this year are going to try very hard to come out first in the track meet, and they can if they work hard enough. There is a lot of good material on the Junior track team and with a lot of hard work they will be able to pull through very successfully.

The Junior team this year will be built around Dorothy Fair, Margaret Ellis, Kathryn Gunias, Rosella Goss, Marie Chmel, Virginia Parker, Annetta Griffiths, Thelma Grosenbaugh, Emily Rairigh.

Last year the Junior girls who took part in track were: Helen Shopbell, second, in the first heat of the 50 yard dash; Dorothy Fair, second, in the second heat of the 50 yard dash; Virginia Parker, third, in the 100 yard dash; Eleanor Spelman, second, in running broad jump; Katherine Worlock, second, baseball throw; Edra Johnston, third, 60 yard hurdles; Rosella Goss, second, running high jump; Cornelia Pritchard, third, shot put; Dorothy Fair, third, standing broad jump; Edra Johnston, third, javelin throw.

These girls worked very hard last year and proved to come out second in the meet, having a final score of 31½ points.

SENIOR BOYS' SWIMMING TEAM

THE Seniors, who as Juniors were winners in the interclass swimming meet last year, were overwhelmed by ambitious Juniors and Sophomores this year. As Juniors they dove, swam, and fought their way to a smashing victory, collecting a total of thirty-eight points; but this year they fell by the wayside with only four points to their credit.

Such a defeat as this could only be caused by lack of material from which to select a team. With many of their aquatic stars on the varsity swimming team and still others on the basketball team, they were at a loss for good swimmers when it came time for the swimming meet. Consequently, the Seniors only placed in two events. Ingold placed second in the forty yard dash, and he was the only individual swimmer to take a place. The one hundred and sixty yard relay team placed third in this event and thus accounted for the remaining point.

The Sophomores won the meet with twenty-one points. This victory was very unexpected of a Sophomore team. The Seniors will have to work much harder if they wish to gain intramural honors this year. Almost every year intramural sports are won by Seniors.

We wish you better luck in the remaining interclass contests and would like to see you uphold the honor of your class.

SENIOR GIRLS' SWIMMING

CHAMPIONS again! But not as easily done this year as it was last year and the year before. The girls who make up this team have been together as one team throughout their high school days.

In the interclass meets the Seniors beat the Sophs 25-50 and were victors over the Juniors 31-49.

The Juniors as usual put up the hardest fight and it was feared by the Seniors that they might pull out in the lead. But did they, No! the Seniors put forth all efforts to keep their well deserved title, and did!

This year is the first since 1926 that McKinley has had a girls varsity swimming team. It was composed of girls from the Sophomore, Junior and Senior teams. They were defeated by Mansfield at Mansfield by four points, but at the return meet they skinned them 30 to 50.

The girls who made five or more points in one meet received a class numeral. All students were allowed to attend the girls meets this year.

The members of the team and their special events are as follows: B. Hess, diving, breast; M. Zur Linden, plunge; A. Scott, captain, crawl, racing back and side over; G. Scott, breast, trudgeon, side under and diving; V. English, trudgeon; D. Noble, trudgeon and crawl; Zaugg, plunge and crawl; D. Hennessey, side under; W. Wood, side under; B. Converse, side under; N. Skakum, side under and back.

JUNIOR BOYS' SWIMMING TEAM

INELIGIBILITY of one swimmer caused the Juniors to lose the interclass swimming meet to the Sophomores. At the finish of the swimming meet the Juniors were declared winners and the Sophs a close second; only to have the decision reversed because of the scholastic record of one swimmer. The final score gave the Sophomores twenty-one points, sixteen points for the Juniors and only four points for the Seniors.

Some really good swimmers and divers were entered for the Juniors and the quality was fine but the quantity was poor. The team was composed of Fritz Pratt, Jack Douglas, Gibbs, Nick Ross and Rohe.

Fritz Pratt was the fastest swimmer in the forty yard free style, taking a first in this event, while his classmate, Gibbs, finished third. Jack Douglas and Gibbs finished first and third respectively after a good exhibition of diving. The other points were registered from Nick Ross' third in the one hundred yard free style and the one hundred and sixty yard relay team placing second. This relay team was composed of Rohe, Gibbs, Pratt, and Ross.

Coach Brannin is using on his varsity swimming team the best aquatic stars in the school among which are an equal number of Juniors. These varsity swimmers contrary to other years were not allowed to compete in the interclass swimming meet.

JUNIOR GIRLS' SWIMMING

THE Junior girls have slipped right up this year, giving whole hearted co-operation to Miss Andrews' splendid coaching. The result has been increased skill in the various strokes, and an added attention to form in both swimming and diving.

The Sophomore-Junior and Junior-Senior swimming meets attracted quite a number of spectators, who were keenly interested, which of course added to the pleasure of the meets.

Although failing to defeat the Seniors, the score being 31-49, the Juniors carried off the honors when opposing the Sophs with a score of 53-26.

The events of the meets were the same as in previous years namely: the forty-yard crawl, forty-yard side under, twenty-yard racing back, forty-yard trudgeon, plunge, forty-yard side over, twenty-yard breast, diving and the relay. Four dives running front, front jack, back and back jack were required for the Junior-Senior meet together with two optional dives. For the Sophomore-Junior meet the standing front, running front and front jack were required together with two optional dives.

The Junior team was composed of Streby, captain; Kerr, Riley, Monnard, Pritchard, Sharff, Ellis, Lookabaugh, and Bast. The two high point members of the team were Kerr and Riley. Kerr earned twenty-six points in two meets and Riley twenty-one points, both of which were fine records. Everything considered the team has had a very worthwhile year.

GIRLS' BOOSTER CLUB

THE Girls' Booster Club was organized seven years ago, and its membership has steadily increased each year until now it is the largest organization at McKinley High. This year there were 515 girls wearing the pin which distinguished them as Boosters.

The first meeting was held in October and the time was spent electing officers and cheer leaders. The result of the meeting was as follows: Cornie Pritchard, *president;* Kate Worlock, *vice-president;* Toots Roemer, *secretary;* Dot Wynn, *treasurer;* Maidie Long, Senior, *cheer leader;* Hazel Steed, Junior; Jeannette Lewis, Sophomore. As in previous years Miss Hobart supervised the club; Miss McBane had charge of the football season; Miss Heinrichs, basketball and Miss Clarke, track. Great credit is due to the advisors for the success of the club, and for the school spirit which predominated throughout the entire year.

The aim of the Girls' Booster Club is probably best illustrated by the following pledge which is written on the card each girl wishing to be a Booster must sign: I want to be a Booster. I know that to be a Booster means to be a worker. I know that I shall be expected to attend club meetings; to attend all games and contests whether of muscle or brain,

MARGARET ZUR LINDEN

and help cheer the teams; to sell pencils, badges, megaphones, etc.; to distribute posters; or to do anything that in any way helps to boost worthwhile activities at McKinley. I know that my only tangible reward is one good party. But I want to be a Booster because I want to be of service to my school. My signature here is proof of my desire, and is a pledge of my willingness to work.

A great deal of advertising is done by the club as one form of boosting. Pencils with the McKinley football schedule on them are sold by members of the club, and this year over three thousand were sold in a few weeks.

In the beginning of the year the Girls' Booster Club made the proposition that they would buy a mascot for McKinley High. They asked for suggestions, and everything from an elephant to a whiffle hen was suggested. Five of the best suggestions were put before the student body, and a vote was taken. As a result the bulldog was unanimously chosen for the mascot, so the club presented a papier-mache one to the school.

The McKinley cheer leaders in previous years have not been dressed in fitting outfits, but this year each boy appeared in a red and black sweater due to a purchase made by the Booster Club. Six megaphones were also presented to the school by the club.

Every year the Booster Club conducts a song contest. Three popular airs are chosen and prizes are given to the girls who submit the best

school words to the designated airs. This year the tunes were "Girl of My Dreams," "Ramona," and "That's My Weakness Now." These songs are sung from year to year by the Boosters at games.

The annual Booster Party, held in November, was a huge success. It was in the form of a "boy and girl" party which seemed to attract an unusually large number of girls. Many clever costumes such as Raggedy Ann and Andy, and the Spearmint Kids were seen. Stunts were given by some members of the club during the evening, and the remainder of the time was spent in dancing.

As usual the Boosters backed the football team throughout the season. A section was reserved at the Lakeside stadium, and it was from this section that the real school spirit manifested itself. Whether the team was winning or losing, the weather fair or foul, the Boosters were right there to cheer themselves hoarse until the end of the game.

During the basketball season the center section of the city auditorium was reserved for the Booster Club. Noise plays a prominent part in any basketball game, and this theory was certainly carried out by the fair rooters.

All loyal Boosters have always tried to uphold the standards of McKinley High, and to show the high ideals of good sportsmanship for which the club stands.

SENIOR COUNCIL

SENIOR Council members consisting of agents representing each home room were elected early in the school year and together with the class officers they began work immediately. Their duties consisted mainly of expressing the needs and desires of the student body, for it is through them alone that individuals of the class should make known their wishes which may in turn be considered by the council. It has always been the aim of the student council to keep in mind that much depends on them for keeping the class standard high.

The council took action for the purchase of automatic curtain control equipment. A new gold curtain was also procured for the auditorium. Committees were appointed to select prizes for the home rooms selling the most operetta tickets and for the purchase of a wedding present for Miss Hawkins, in this way expressing our appreciation for the many services, she, as a guardian, has rendered the class. Further business consisted of the supervision of the sale of operetta and senior class play tickets which resulted in very satisfactory returns to the class treasury.

The faculty advisors have given invaluable assistance in many ways. The advisors and their respective duties are: Mr. Porter, *general executive;* Miss Busby, *senior play;* Miss Earseman, *refreshments;* Miss Stonehill, *decorations;* Mr. Lanning, *finance;* Miss Heinrichs, *entertainment;* Mr. Carter, *athletics.*

JUNIOR CLASS COUNCIL

ACCORDING to the custom one of the very important organizations of the class, the Council, was formed by the election of two pupils from each section, a councilman and an alternate. In this organization there were twenty-three members representing twenty-three sections and approximately seven hundred and fifty pupils.

The meetings were held every Monday and the news of the school was given to them to carry back to the respective sections. In this way the Junior class was made a unit.

The responsibilities of the council were of great importance due to the fact that all collections of class dues and the paying of all bills occurring in the school year were through it.

The council had the arrangement of the first class party, selling of Junior class play tickets, second class party and Junior-Senior reception.

Aiding the council in these affairs were the class officers and guardians. The officers were: Frank Barbour, *president;* David Temple, *vice-president;* Helen Spiker, *secretary;* Mary Patrick, *treasurer.* The guardians and their chairmanships were: Mr. Boone, general chairman; Mr. Ford and Mr. Chenot, finances; Miss Lutz and Miss Hastings, decorating; Miss Shelton and Miss Haverstack, music and entertainment; Miss Perry, refreshments.

The class as a whole wishes to take this opportunity to express their sincere appreciation to these people for their splendid co-operation.

SOPHOMORE COUNCIL

EARLY in November the Sophomore home rooms selected the above pupils whom they considered capable of managing the executive affairs of the class. About three weeks later this body supervised the election of the class officers. Following a period of hard work they announced that the following officers had been chosen: Don Black, *president;* Jeannette Lewis, *vice-president;* Waneta Lyle, *secretary;* Jack Maxwell, *treasurer.*

We wish to thank our guardians, Mr. Young, chairman; Mr. Manful, Miss Newton, Mr. Rickert, Miss Walton, Miss Wenrick, and Miss Hill, for the wonderful co-operation they gave the council.

The council also planned two delightful parties. They arranged the committees for refreshments, decoration and entertainment. They took charge of the class dues and did their very best to make us acquainted here.

We wish to thank the Girls Service League for the cordial reception given the Sophomore girls and their mothers; this along with the various clubs which we were invited to join has helped to make us feel at home.

We feel that as the largest class in the history of the school, we are destined to do big things and that is what we are out for. Because of the welcome and the interest shown in us during our first year at McKinley, we feel that we really belong here, and we are going to carry on the Red and Black.

ART LEAGUE

THE Art League is one of the oldest clubs in McKinley High. It is classed as a "B" club and is one of the most promising of the school. It meets every two weeks on Wednesday afternoon. The purpose of the Art League is to create throughout the school a greater interest in art. The club has had a very successful year and the meetings have been interesting and instructive. Some very fine speakers have been on the programs. At the first meeting Mrs. Clarence Fisher, a well known Canton artist, displayed a number of her very fine paintings and told some of her experiences while studying abroad. At other meetings different members of the faculty—Mr. Metzger, Mr. Gilmore and Miss Eddy gave talks which were of interest to all.

The most enjoyable event of the year was the Christmas party held at the Woman's Club on the evening of December 15th. The entertainment of the evening consisted of dancing, cards and various games. Everyone expressed themselves as having had a fine time.

The Art League is one of the largest clubs in McKinley High, having a membership of 82 consisting of Seniors, Juniors and Sophomores. Miss Wenrick is the club advisor and the officers for the year are: Gladia Miller, *president;* Mary Hebert, *vice-president;* Emmy Lou Spanagel, *secretary;* and Harold Kahler, *treasurer.*

VARSITY DEBATE TEAM

McKINLEY'S 1929 varsity debaters have had a busy season. Twelve students were on the teams. The speaking members of the squad hold membership in the debater's honor fraternity, the National Forensic League. The coach, Miss Willett, holds the degree of Distinction, the highest honor awarded. Pauline Deal and Rose Gills have the next highest degree, that of Excellence. They also hold the degree of Honor and Merit, as do Robert McBane, Herschel Jones, James Lenhart, and Glenn Vogelgesang.

Lisle Beamer, Pauline Deal, and Rose Gills qualified for varsity letters in 1928. The rest of the squad will receive the McKinley insignia this year.

McKinley's debate team is one of the sixty members of the Ohio High School Debating League. The league functions through a round of eliminations that end in a state championship debate at Columbus.

The debaters opened their season with an affirmative victory over Youngstown East, the state champions of 1928. They lost some debates, of course; but debaters are coached to learn that "Defeat is nothing but education," and that victory is due to superior adaptation, clearness and strength of case, and spontaneous refutation.

The complete schedule is as follows: Victories, affirmative, Youngstown East, Wooster, New Philadelphia, Youngstown Chaney. Negative, Wooster, Youngstown Chaney, and Carrollton: Defeats, affirmative, Ravenna and Akron West: Negative, Akron West and New Philadelphia.

THE DEBATE CLUB

THE purpose of the Debate Club of McKinley High School, organized in 1922 under the very capable supervision of Miss Florence Willett, debate coach, has always been to stimulate an interest in debating and oratory among the students. The club has enjoyed an unusually successful year. By giving much experience to those who are self-conscious it has helped them to become poised.

The meetings are held regularly twice a month. Each club meeting is usually devoted to one theme. Very interesting ones have been given such as "Principles," "Beginnings," "Accomplishments," "Dates," and "Prophecies." To carry out the purpose, the programs are so arranged that the members may participate in the numerous debates, harangues, current speeches, and extemporaneous speeches. According to the club constitution, the meetings are carried on with exact formality. Fines are inflicted for misbehavior, tardiness, and unexcused absence.

The club helps to conduct financial operations and to furnish advertisements for the forensic activities of McKinley High School.

The officers of the club for this year have been: Lisle Beamer, *president;* Pauline Deal, *vice-president;* Virginia Gruber, *secretary;* James Lenhart, *treasurer;* Rose Gills, *censor;* Rosella Goss, *reporter*. The faculty advisors deserve the thanks of the club for their co-operation.

SOPHOMORE DRAMATIC CLUB

THE Sophomore Dramatic Club, although a comparatively new club, is one of the most popular among the younger members of McKinley. It was founded two years ago by the present Senior class.

The purpose of the club is to promote interest in dramatics and give training to the Sophomores in this line. This training affords the members of the club a better chance to make the Junior and Senior class plays than those lacking this preparation.

Tryouts were held at the beginning of the year and also in February at which time a large number tried out, but few were admitted.

The first appearance of the club was on December 14, 1928, when they gave for the entertainment for the Sophomore class party the mystery play, "The Weasel." The cast included Dorothy Patterson, Jane Hershey, Richard Williams, Donald Westhoefer and Joseph Immler. The play was directed by Miss Hill.

The guardians of the club are Miss Hill, Miss Jackman, Miss Hawkins and Mr. Chenot, under whose guidance many interesting as well as valuable entertainments were given.

Mr. Herbert Butterfield of the Grand Players spoke to the club on the subject "Makeup," at one of the meetings.

The officers of the club for the year 1928-29 are Sanford Oscar, *president;* Norman Art, *vice-president;* Jean Zollinger, *secretary;* and Donald Westhoefer, *treasurer.*

FRIENDSHIP CLUB

FRIENDSHIP Club, under the efficient supervision of Miss Edith Cutchall, Girl Reserve Secretary, has carried out a most successful year. The purpose of the club is "To find and to share the highest ideals of Christian girlhood."

The four regular meetings of the month are divided into a committee meeting, an interest group meeting, and two program meetings. The theme chosen for the year was "Flights." The programs were arranged from various divisions of the theme. Some of the outstanding affairs of the year as listed on the program included a Hallowe'en Party, Recognition Service, Play, Faculty Tea, Mother-Daughter Banquet, and a Friendship Hi-Y Party.

The club also had a good representation at the Mid-Winter Conference at Elyria. This conference was attended by many girls from northern Ohio and proved an excellent opportunity for mingling with others interested in Girl Reserve work. At Christmas the Club sent a large box of gifts to Indian children in Whiteriver, Arizona.

The officers were as follows: Virginia English, *president;* Pauline Ebel, *vice-president;* Rosella Goss, *secretary;* Alice Miller, *treasurer.* The executive members of the cabinet were: Zella Dempsey, Katherine Frease, Ztnel Lentz, Nellie Little, Esther Parry, Pauline Shock, and Eleanor Spelman. The faculty advisors were: Miss Evelyn Shelton, Miss Nellie Lutz, Miss Marjorie Whitlock, Miss Edna Shumaker, Miss Florence Housley, Miss Esther Thompson, Miss Iris Haverstack, Miss Florence Willett, Miss Ruth Lehmiller, and Miss Leota Clark.

GIRLS' GLEE CLUB

THE work of the Girls' Glee Club, under the direction of Mr. Leslie D. Hanson, has been of great interest to all. After the tryouts in the fall, and the election of officers, they settled down to their first task in conjunction with the Boys' Glee Club—that of presenting the annual operetta, entitled "Robin Hood." Miss Hill and Miss Whitlock assisted with the dramatics and dancing, while the Stage Craft Club, under the direction of Miss Bozman, provided the scenery. The cast labored under great difficulty to give the production because of Mr. Hanson's illness.

The girls met twice a week and spent many lunch bells practicing for concerts, miscellaneous programs, and the operetta. Programs were given before several luncheon clubs, and at the Mid-Winter Concert the "Rose Maiden" was presented. Following this they took part in the Annual Spring Festival and closed a very successful year with a delightful program commencement night.

In addition to the red and white smocks worn by the girls previously, this year the costumes were completed with striking red and white tams.

Officers for the year were: Bessie Sharff, *president;* Lottie Miller, *secretary;* Elsie Grace Gould, *treasurer;* Clara Louise Huntsberger, *librarian.* Virginia English and Bessie Sharff were pianists. Special recognition is due these girls for their faithful services.

BOYS' GLEE CLUB

ANOTHER successful season may be credited to the Senior Boys Glee Club which functioned under the able direction of Mr. Leslie D. Hanson.

The Club worked very hard to develop material for Robin Hood, Inc., the annual operetta, which was given in conjunction with the Senior Girls Glee Club. The illness of Mr. Hanson in the last two weeks of practice proved a great handicap to the finished production. In spite of this, Miss Hill, to whom the dramatic success of the operetta may be attributed, labored patiently with the cast. Miss Marjorie Whitlock must also be given credit for her assistance in the novelty dances.

The Glee Club furnished some very good programs at luncheons and several civic organizations of the city. They also caroled at Christmas time. Meetings were held once a week, at which time many well liked numbers were studied.

The enrollment of the club was listed at thirty-five. They elected Frank DeVol to serve as their *president*. Arthur Ake was chosen as *secretary* and *librarian*.

Its activities came to an end with the most delightful event. The participation in the commencement exercises completed a most beneficial year.

Good work, boys! May you continue your fine work and carry the same spirit throughout the future years. May you always promote the interest of good music wherever you are.

THE SENIOR HI-Y CLUB

NEARLY one hundred Junior and Senior boys compose the personnel of the Senior Hi-Y Club. This group is divided into three chapters, namely, Kappa Beta, Phi Beta, and Tau Beta. The organization meets every Monday evening at seven-thirty. The club's purpose is to create, maintain, and extend throughout the school and community high standards of Christian character.

During the year the pledge of three hundred dollars for World Brotherhood was successfully completed. The club secured Dean Graham of Oberlin College as the speaker for the Hi-Y assembly during Holy Week.

The first social event of the year was a Thanksgiving party held at the Shady Hollow Country Club. On March 22 another social activity was held at the Willowdale Country Club. Several banquets, of which the most important was the annual Father and Son banquet, were held at the Y. M. C. A. The Junior members entertained the Seniors at a picnic which was held at Camp Inawendewin on Turkeyfoot Lake. The final social event of the year was an early morning breakfast held at Turkeyfoot Lake on the last day of school.

The council which guided the club activities of the year was composed of Mr. Edgar C. Myers, boys' work executive; Mr. Loren E. Souers, and Mr. J. L. G. Pottorf, advisors; Thomas Ray, *president;* Willard Loomis, Robert Bridge, and Donald Hummel, *vice-presidents;* Kenneth Wolfe, *secretary;* and Robert McBane, *treasurer.*

SOPHOMORE HI-Y

THE Sophomore Hi-Y Club was organized as a club to promote Christian character. The club met on Tuesday evenings of each week at the Central Y. M. C. A. The enrollment of the club was listed at sixty active members. They elected the following officers for their ability: Don Black, *president;* John McLean, *vice-president;* William Foltz, *secretary;* Stuart Keckeley, *treasurer*: and William Thacker, *sergeant-at-arms*. The club wishes to express its appreciation for the assistance rendered by the advisors of the club namely: Mr. Myers, Rev. Bridge, and Mr. Mahlon Barnes.

During the year the organization carried out a program of several activities. Some of them were the Freshman-Sophomore Hi-Y banquet, mother and son party, stag banquet, and a mixed party. These functions were entertaining and helpful. The club contributed to the World Brotherhood Fund and took an active part in a "Find Yourself" campaign.

Most of the meetings were used for the discussion of life problems which are confronting the modern youth. Among some of the subjects discussed were the following: "Should I Cheat in School," "A Boy's Philosophy of Jesus," "The Value of Athletics," "My God and My Father," "Sportsmanship in Athletics," "Choosing a Life Work," and "The Value of an Education." The remainder of the meetings were given over to the initiation of new members and also to prayer groups.

GIRLS' LEADER CLUB

THE Girls' Leader Club was organized in 1924-25 by Miss Whitlock who has supervised its activities since then. Although it is one of the newer clubs at McKinley, it is one of the most popular. There are sixty girls who have the honor of wearing a blue middy and black and white Leaders emblem by which the members are distinguished.

This year there were about one hundred and fifty girls who wished to try out for Leaders, and from this number thirty-three were chosen. The purpose of the club is to create in the girls leadership, not only athletics, but social relation as well.

The activities of the club are very numerous. The Leaders dance, which is an annual affair, was one of the best social events of the year. Peach Hess was in charge of the dance which was held for the first time at the Canton Woman's Club. Interspersed throughout the year are hikes, swimming parties, and skating parties; some are exclusively for Leaders and others include the Leaders and their friends. It is customary for the club to give a specialty marching number in the annual Gymnasium Exhibition.

The officers for the past year were Margie Shaeffer, *chief leader;* Dot Wynn, *vice-leader;* Cornie Pritchard, *secretary;* Dot Noble, *treasurer;* Peach Hess, *social chairman;* Hester Jane Johnston, *publicity chairman.*

THE GIRLS' SERVICE LEAGUE

SHORTLY before classes were dismissed for the summer vacation last spring, some sixty girls were chosen from the Junior class to compose the Girls' Service League for '29.

The club endeavored to carry out a definite project each month. In October a party was given at the Y. W. C. A. in conjunction with the Friendship Club for the girls entering McKinley from an out of town school. A reception given at McKinley for the Sophomore girls and their mothers, which was first undertaken last year by the Service League, was again carried out successfully. At Thanksgiving fruit and toys were taken to the children at the Little Flower Hospital. Then again at Christmas the club endeavored to brighten the lives of others by giving a program at the Old Ladies Home and supplying a needy family with food and clothing. The club also undertook a courtesy campaign, and in March sponsored a lecture by Dr. Pauline Zinninger.

The girls of the Service League were very sorry to have their loyal advisor, Miss Loomis, leave; but her place has been ably filled by Miss Shumaker.

The officers for the year were: Mildred Blake, *president;* Bernice Daberko, *first vice-president;* Bessie Sharff, *second vice-president;* Bernice Converse, *secretary;* and Margaret Zur Linden, *treasurer.*

MATH CLUB

THE purpose of the Math Club is to increase the interests of mathematics both in an educational and social way. The club, supervised by Mr. Knauss, heard many interesting speakers and made several delightful trips to different places. The members of last year who did not graduate began the activities of the club by getting new members and initiating them.

On one occasion, Miss Rice entertained with mathematical tricks which were enjoyed very much. The club was the guest of the Science Club when Mr. Hess, a pilot, told of his experiences in the air. Again we had the pleasure of hearing Mr. Putman of the Mail Service.

The first trip taken by the club was to Mt. Union College where the members were entertained by lectures and a trip through the museum. Another interesting trip was taken to the Bell Telephone Company. The members were also invited to visit Wooster College which trip was made possible by the aid of Mr. Knauss.

The club also had several parties. The first being a St. Patrick's party at the home of Dorothy Burkhart where a pleasant evening was spent by all. The farewell of the Senior members of the club was held at the president's home.

The officers of the Math Club are: Willard Benson, *president;* Marvin Floom, *vice-president;* Marion Graham, *secretary;* Dorothy Killian, *treasurer;* Mildred Graham, *sergeant-at-arms.*

POETRY CLUB

In the rift of a snow-hung tree branch,
In the depths of a woodland pool,
In the throb of a woodthrush trilling,
Lies the poem for wise man and fool.

There are beautiful thoughts in the sailing
Of white clouds on a summer's day;
And the sound of a brooklet's running
Oft inspires the soul with its play.

And this power divinely given,
To bring from your heart a song
May make light the hard task of workmen,
Or soften the sting of a wrong.

In the sonnet, the ode, or the ballad,
In blank verse, or a narrative style,
The sweet lyric expression of beauty
Makes happy the world with its smile.

In the Poetry Club are they uttered,
These words with deep ardor fired—
That's the shrine where all may venture
To reveal a soul inspired.

SHAKESPEARE CLUB

ONE of the oldest and most popular clubs at McKinley High School is the Shakespeare Club formed in 1916. The membership is limited to Seniors, and this fall twenty-five students were chosen for membership.

The purpose of this club is to instill in the student a dramatic interest and to give him some training in dramatic work.

Each year it is the custom of the club to present a Christmas play before the student body. This season "Mistletoe and Hollyberry," an enjoyable comedy of an English Christmas, was presented. The following students took part: Kenneth Adams, Robert Bridge, Frank DeVol, John Willig, Don Wason, Ralph Watkins, Jack Joseph, Shirley Roos, Elsie Gould, Dorothy Noble, Virginia English, La Verne Johnson, Mildred Higgins, Merriam Rohn, Catherine Lundy and Marjorie Maxwell.

This comedy was also presented before the Teachers' Club.

The meetings were taken up with several enjoyable programs. At one, the club was entertained by Herbert Butterfield, a versatile character actor of the Grand Theatre, who talked on makeup.

"Fame and the Poet" was given by Florence Cox, Marjorie Maxwell, Bernice Walker and La Verne Johnson. "The Glittering Gate," a story of two criminals at heaven's portals, was presented by Frank DeVol and Jack Joseph.

Miss Marble was the faculty advisor and the officers were: Robert Bridge, *president;* Elsie Gould, *secretary;* John Willig, *treasurer.*

MODERN WRITERS' CLUB

ALTHOUGH Modern Writers Club has been in existence only a few years and is one of the comparatively new clubs of the school, it has attained a high degree of success. It was organized by Miss Mary O. Eddy for the purpose of studying the works of modern authors. The only requirements are that each member has all grades passing and eighty-five per cent or better in English and an active interest in the work of the club.

This year a new plan was inaugurated whereby any member would be dropped from the club after three unexcused absences and no one who has not taken part in any of the programs presented at the meetings may be in the McKinleyite picture.

At each meeting a new writer was studied among whom were Edna St. Vincent Millay, Amy Lowell, Pierre Loti, Julian Green, H. W. Freeman and Emily Dickinson. We learned many interesting things concerning each of these and much of our success is due to the readings and additional information which Miss Eddy gave us.

The officers for the past year were: Hester Jane Johnston, *president;* Jane Raedel, *vice-president;* Betty Hess, *secretary* and *treasurer;* Bernice Mills, *chairman of the program committee.*

The advisors of the club were: Miss Eddy, Miss Flora Schneider, Miss Housley, Miss McNary, Miss Hill, Miss Heinrichs, Miss Hobart and Miss Mack.

THE PURE SCIENCE CLUB

THE Science Club, one of the oldest at McKinley, was organized for the purpose of interesting the students in scientific research and study. Its membership is made up of Sophomores, Juniors, and Seniors who are studying any of the sciences, such as biology, chemistry, or physics. However, Seniors who are not taking one of these subjects but have been members of the club before can become honorary members if they wish. This year there are approximately seventy-five members.

The meetings, which are held every two weeks, may be divided into the following classes: student meetings, special speakers, and trips.

During the year there were several very interesting speakers. Mr. Hess of Alliance spoke on "The Science of Aeronautics," telling of many exciting personal experiences and of incidents showing the speed of aeroplane travel. In a joint meeting of the Science and Mathematics clubs, Mr. W. E. Putnam spoke on "The History of the United States Postal Service." Mrs. Walker, the superintendent of nurses at Aultman Hospital, gave a most instructive talk on "Bacteriology," giving stories of the discoveries of various disease germs.

One of the trips taken was an inspection tour of the Sanitary Milk Company.

Our faculty advisor, Mr Lanning, guided the club through a successful year, assisted by the following members of the executive committee: George Sell, *president;* Lois Hanna, *vice-president;* Janet Delp, *secretary;* Esther Liber, *publicity secretary;* Howard Ickes, *treasurer.*

SOCIAL SCIENCE CLUB

THE Social Science Club, an "A" club, was organized in October, 1925.

The first meeting of this year was held Wednesday, October 17, 1928. Initiation and appointment of committees took place at this meeting.

On Armistice Day the club presented the school with a wreath in honor of the McKinley boys who fought or were killed in the World War and on November 14, Mr. Porter gave an unusually interesting talk on his experiences in the War.

November 28, Don Hambleton, a former high school boy, told about his round-the-world-trip on the floating college ship.

Miss Arich, of the Juvenile Court, talked to us about the days she spent in Esthonia during the Bolshevik War in Russia. The annual Christmas party was postponed to February so a Washington's Birthday party was held at the Woman's Club on February 21, 1929.

In March, Miss Bowser, one of our modern language teachers, gave an account of her trip to Alaska.

A stunt program and illustrated lecture on Shoenbrun was presented.

One of our annual spring meetings was a picnic at Shoenbrun.

Officers for the year were: Paul Lindberg, *president;* Don Ingold, *vice-president;* Doris Lemley, *treasurer;* Fern Long and Berdine Nicholas, *sec'y;* Edna Smith, *publicity sec'y;* and John Lehmiller, *sergeant-at-arms.*

Faculty advisors, Miss Heidman, Miss Lehmiller, Miss Marburger, Miss B. Thompson and Mr. Leist.

Club motto: "Friendly spirit, search for knowledge."

STAGECRAFT CLUB

ONE of the most important and indispensable of our organizations is the Stagecraft Club.

The work of the club began with the production of the operetta, "Robin Hood, Inc." All the scenery of this presentation was made by the members of this club. Everything from the manufacture of the rocks to the erection of foliage and trees was carried out by the organization. It was only with a great deal of hard work and extra time that the members produced such settings.

The Junior class play, "Eva the Fifth," was the next project of any importance handled by the Stagecraft Club. "Twelfth Night," the Senior class play, proved a task not too hard for these people. It must be remembered that this was by no means the extent of the work in this club's activities. Among other things there were party plays given by the Sophomore class which also required stage settings.

Another part of the club's work is general charge of the stage, that is, the shifting of scenery and the lighting effects.

Miss Bozman, the faculty advisor of the club, is largely responsible for its success since she devoted much of her time to making it so. We wish to express our appreciation to her.

The officers of the club are: Dennis Shea, *president;* Luther Schneider, *vice-president;* Robert Manheim, *secretary* and *treasurer;* Atlee Piero, *electrician.*

THE TRAVEL CLUB

THE Travel Club of this school year completed one of the most successful seasons in the history of its existence. It was organized for the purpose of entertaining people who are interested in the outside world and who some day intend to travel themselves.

At the first meeting we journeyed to England and were given a fine talk by Miss Lehmiller on Cambridge College, England. This was followed by an initiation into the Travel Club life. On our next step we stopped at Rome and were conducted by Miss Budd throughout the city. From Rome we went to Germany with Mr. Daberko, who proved to be an excellent guide there, and to complete our tour of Europe for the time being we followed the eye of a moving picture machine in its wanderings there. The year was completed by Attorney Thom in his talk about London, England and their courts and by Miss Eddy who gave us an excellent talk about Holland and the Dutch paintings.

To. Mr. Fretz, our faculty advisor, goes much of the credit for the success of our club because of his faithful guidance throughout the year. Assisting him were the officers for the year: Glenn Vogelgesang, *president;* Byron Beckley, *vice-president;* Evelyn Lucas, *secretary;* Don Wason, *treasurer;* Robert Dencer, *sergeant-at-arms;* and Bernette Daberko and Jean Atkinson, *committee women.*

LE CERCLE FRANCAIS

LE CERCLE FRANCAIS, the newest member to be admitted into McKinley High School Clubdom, has quickly taken its place among the "A" clubs of high scholastic standards. Only those students of second year French whose average is 95 per cent or more, and those third and fourth year students who have 90 as an average are eligible for membership.

This club was organized for the express purpose of helping those interested in the language, to gain a better knowledge of the people, customs, and country of France. Of primary importance was the acquirement of fluency in speech. To further these aims the programs of the year were of two types, informal and formal, the former consisting of French songs and games, the latter of French sketches and plays.

Among the numerous interesting plays presented throughout the year were: "Au Premier Dejeuner," "Au Telephone," "Chez Photographe," "Dans Un Bureau du Telegraphe."

The club is under the direction of the teachers of French. Mlle. Flora Schneider, who organized the club; Mlle. Zurcher, Mlle. Bowser, Mlle. Schuster and Mlle. Clara Schneider, being the worthy advisors. The officers for 1928-29 were: Lyrel Bresson, *la president;* Julia Krider, *la vice-president;* Bessie Sharff, *la secretaire;* Thelma Richmond, *la tresoriere;* Stephen Fogle, *la reporter.*

We hope "Le Cercle Francais" will live on through the coming years and always maintain the high standards which have been set for it.

JR. CHAMBER OF COMMERCE

THE Junior Chamber of Commerce was organized in 1918 and continued until 1927. At this date it was reorganized into the Boys Booster Club. Mr. Rickert, the faculty advisor, has given much of his time to advise the officers and assist the club.

The club has been very successful this year, having ninety-five members enrolled. Next year we hope to have a large increase in membership. The organization is for the benefit of high school boys who endeavor to find out what the business world holds for young men of today. Each year finds more youths interested in clerical and industrial subjects.

Members have been interested in visiting the various factories in the city and neighboring towns. Hoover Suction Sweeper affords a source of information and interest.

Among the speakers the club sponsored were Dr. Jayne, who gave an interesting talk on commerce and trade, and Mr. Kling of the Leonard Agency who spoke on buying and selling land, also determining the worth of property. The club wishes to thank these men for their time and aid.

Our aim for the coming year will be a bigger organization for the furthering of industrial ideals.

The officers have done much to promote the club's interest. The students elected to offices were: Harold Carpenter, *president;* James Hutter, *vice-president;* Charles McAnall, *secretary;* and Herbert Devis, *treasurer.*

THE ANNUAL STAFF

WITH the editorial staff working hard to produce a publication that excells those of preceding years, The McKinleyite of twenty-nine has required the co-operation of both staffs and faculty advisors. Members of the staff wish to express their gratitude to Miss Bair for her assistance in compiling the book.

Early in September each member was assigned his specific task. Much time was turned over to this work immediately. The athletic section was begun with the first game and diligently worked with the entire season. A novel arrangement has made it very attractive. Then the senior section was compiled with no less effort. By tactful means snapshots were collected from all possible sources. The various organizations of the school make up the club section which is very similar to previous years. Colored insert pages were used this year to make the book distinctive and attractive. A variation from other years was the staff of artists. Each member submitted ideas in the type of work in which she excelled. From these the final drawings were made and the new feature proved an asset.

The members of the staff are: Owen Walker, *editor-in-chief;* Alice Miller, Shirley Roos, Dorothy Young, and Frank Barbour, *associate editors;* Allen Rudy, *photographer;* Jane Cool, Margaret Zur Linden, Emmy Lou Spanagel, Bernice Converse, Dorothy Bate and Katharine Zaugg, *artists;* Florence Reese, *typist;* Miss Bair, faculty advisor.

THE MONTHLY STAFF

THE Monthly Editorial Staff of 1929 was most fortunate in having the loyal support of the majority of the student body as both contributors and readers. This, no doubt, is partly responsible for the splendid showing the monthly made at the National Journalistic Convention in New York at which it was awarded third place.

A theme was chosen for each of the seven issues and an attempt was made to have most of the material center around each particular theme. The seven themes for 1928-29 were colonial customs, cathedrals, mystery, international, aesthetics, spring, and sports. Attractive, brightly colored covers have been used. For November a huge sail boat adorned a blue and black cover; while December's cover bore Christmas bells in scarlet red and black; and April's cover was two shades of blue with butterflies, birds, and flowers forming a gay frame. The frontispieces have been exceptionally noteworthy while the illustrations have been appropriate and truly illustrative.

Miss Marguerite Bair has been the very efficient faculty advisor of the staff which consisted of Virginia English, *editor-in-chief;* Dorothy Noble, *literary;* Polly Cloud, *poetry;* Mildred Graham, *exchange;* Paul Horst, *general news;* Julia Krider, *alumni;* John Willig, *hi-fun;* Robert McBane, *sports;* John Russell, *features;* Evelyn Van Kirk and Lillian Naegellan, *typists;* and Dorothy Bate, Bernice Converse, Jane Cool, Emmy Lou Spanagel, Katharine Zaugg, Margaret Zur Linden, *artists.*

BUSINESS STAFF

OUR McKinley High Monthly and Annual Business Staff of 1929 has completed its most successful year. The work has dealt with the financing of the McKinley Monthly and Annual, a problem which each year requires more and more tactful management. The co-operation of each and every student on the Staff has, to a great extent, helped to make the publications a credit to McKinley High School.

The Staff has appreciated the good advice of Mr. Headley as faculty advisor. We owe much to him for the success attained during the past school year.

The Annual subscription sale was handled very efficiently by William Bruce, Senior business manager. Each member of the Senior class was given a receipt book. By this plan, adopted for the first time this year, a more accurate record of the sales could be kept. The Monthly advertising with Harold Bosley as manager showed a gain over last year's total.

The other Senior members of the Staff were: Robert Bridge, *general advertising manager;* Mildred Parks, *business secretary;* Rex Alexander, *circulation manager;* Frank Saunders, *engraving manager;* George Sell, *Annual advertising manager;* Watson Soffel and Joe Markley.

The Juniors and Sophomores who have helped to make 1929 a successful year are: Otmar Miller, Joe Glaser, Kenneth Witmer, Dean McCormick, Irvine Spence, Betty White, Margaret Miller, Stephen Fogle, James Lape, Lee Henrich, Edwin Lefkovits and Helen Schweitzer.

SENIOR OPERETTA

ROBIN HOOD, INC. was presented by the class of '29. It was a very delightful play in two acts of the 12th century during the reign of Richard the Lion-Hearted, King of England.

The setting of the first act is in a glade in Sherwood Forest. Robin Hood, the rightful Earl of Huntingdon, played by Frank DeVol, is the victim of the Lord High Sheriff of Nottingham, an oppressor of the poor. Robert Bridge played the sheriff very effectively. Robin finds safe retreat in Sherwood Forest and with his Merry Men boldly rights the wrongs of all who appeal to him for justice. Then comes Ben Booster, a promoter in advance of his time, portrayed by Ralph Watkins, offering to organize the band as a corporation. Ben and the Merry Men propose that Robin wed a rich heiress to provide working capital. Robin secretly loves Lady Marian Fitz Walter, Beulah May Nape, who seeks his protection from the sheriff, who has the sanction of Prince John, Ralph Walker, to marry her. Bound by an oath of loyalty to the Merry Men, he must wed the woman of their choice, and the young lovers are sorely tried. The clever Ben arranges for an immediate wedding of Robin to Lady Lotta, the richest heiress in the land, played by Lottie Miller. Lady Lizzie and Lady Rowena are also candidates for Robin's bride. These parts were played by Pauline Deal and Shirley Roos. The Sheriff arrives with the King's Guards, and although many make good their escape, Robin, Marian, Friar Tuck, Scarlett, and Little John are taken prisoners.

First Row—Rinaldi, Roos, Deal, Nape, Miller, Hershberger, Watkins. Second Row—Bridge, Bosley, DeVol, Alexander, Graening, Adams, Walker.

The second act is set in the courtyard in the Royal Palace of Westminster. In the hall of Westminster Palace the prisoners are condemned to be hanged. To make their plight more unbearable, the Sheriff asks Prince John to command Friar Tuck, the jovial priest, taken by John Rinaldi, to perform the marriage between Lady Marian and himself. Robin becomes desperate. At this moment King Richard, Rex Alexander, arrives home from the Crusades, to the amazement of all. Distrusting the motives of Prince John and the Sheriff, he commands all to return later for his judgment. With daybreak the Merry Men and Maidens appear, decked out to celebrate the wedding of Robin and Lady Lotta, to whom Robin is still bound by his promise. King Richard, on learning the situation, decrees that Robin shall marry Marian, pairs off the others, and renders full justice to the Sheriff and Prince John.

Will Scarlet was played by Harold Bosley and Little John by Kenneth Adams. Mistress Minnie was portrayed by Lillian Hershberger.

Credit is due Miss Hill who worked patiently to put over the desired dramatic effects. Her efforts were well rewarded in the final production. Miss Whitlock drilled several groups of girls and presented two novel dances. One was a Forest Dance which featured girls dressed as brownies. Lastly we wish to thank Mr. Hanson for his help in producing the record breaking show it turned out to be.

SENIOR CLASS PLAY

SHAKESPEARE'S comedy, "Twelfth Night," was presented by the Class of 1929 on May 17 and 18.

The heroine of the love plot is Viola who, with her twin brother, Sebastian, is shipwrecked on the coast of Illyria. The captain of the ship succeeds in bringing Viola safely to shore. After comforting her with the assurance that he saw her brother bind himself to a mast, he helps Viola disguise herself in a costume exactly like that of her brother and presents her as a page to Orsino, the Duke of Illyria, under the feigned name of Cesario. She soon becomes his most favored attendant, whom he sends to woo Olivia, a rich countess, who has long denied his suit.

Thus begins a series of complications, for Olivia falls in love with the page, Cesario, who is enamoured of the Duke. The opportune appearance of Sebastian makes possible a double romance; for Olivia mistaking Sebastian for Cesario, marries the twin brother, and Orsino, realizing the significance of his page's devotion to him, resolves to make Viola his wife.

To offset the cloying sweetness of this romantic story is the comic underplot, in which appear the members of Olivia's household: her steward, Malvolio; her uncle, Sir Toby Belch; a friend of Sir Toby, Sir Andrew Aguecheek; Olivia's conjudante, Maria; her clown, Feste; and a servant, Fabian. Sir Toby and Maria, angry because of Malvolio's repri-

mands, make the conceited steward believe that Olivia is in love with him. Not content with the success of this ruse, Sir Toby, with the help of Fabian, forces Sir Andrew Aguecheek, a notorious coward, into a duel with Viola, who, in spite of man's attire, fears to look on her own sword.

Dorothy Noble played the difficult role of Viola, with a boyish swagger and a feminine charm, that proved irresistible. Kenneth Adams gave a very artistic interpretation of the part of Orsino, and Pauline Deal brought to the role of Olivia a sincerity and intensity that made even Olivia's impulsive love for Cesario, convincing. Robert Bridge played the part of Malvolio with great skill.

The comedy roles of Sir Toby, Sir Andrew, Fabian, and Maria were admirably played by Frank DeVol, John Willig, Ralph Watkins, and Marian Harman, all of whom showed a full appreciation of the humorous possibilities of their parts. Rex Alexander, in the role of Feste, the clown, who is called on to sing a melancholy love song to soothe the spirit of the Duke and to engage with noisy abandon in Sir Toby's revels, showed unusual versatility.

John Russell, James Kirk, Jack Joseph, Frederick Roberts, Paul Horst, Ralph Walker, Maurice Lieber, and Robert Sandera handled the other roles of the play very creditably. The attendants were Virginia English, Shirley Roos, Dorothy Hennessey, Arthur Ake and Lisle Beamer. The singers were Elsie Betz, Elsie Grace Gould, Rose Gills, Richard Beebe and Donald Ruch. Bernice Walker and Rose Gills were the prompters.

Miss Grace M. Busby directed the play, and Miss Martha Bozman and Miss Margaret Heinrichs were in charge of settings and properties.

JUNIOR CLASS PLAY

"EVA the Fifth," an odyssey of an "Uncle Tom's Cabin" Company, was presented by the class of 1930 on March 15 and 16. It was written by Kenyon Nicholson and was recently produced by John Golden in New York with great success.

When the play opens, the "Uncle Tom's Cabin" Company is "on its last pegs" financially. Hattie Hartley, the star of the show, tries to induce a rich small-town admirer, Mr. Wampler, to put some money into the show but, due to her inexperience as a gold-digger, she fails completely. About ten days later they find themselves stranded in a small town because of a flood which has washed away a section of the railroad track. To their consternation they find out that Ed Bondell, the manager, has "skipped" and left them without a cent to go on, or to get back to New York. Just then Mr. Wampler breezes in and offers to help out the troupe if Hattie will marry him. Torn between her duty to the troupe and her love for Mal Thorne, the "Legree" of the troupe, Hattie finally consents to marry Wampler due to the fiery jealousy of Mal. Mal, to the surprise of the troupe, finds a rich backer in the town and arranges for the troupe to play a benefit that night. Since Hattie has promised Mr. Wampler to give up the stage, Mal puts her little sister, Oriole Hartley, "Eva the Fifth," into her part, that of "Little Eva." That night Hattie, furiously jealous of her little sister, lets the

latter "stuff" herself with chocolates between the acts. Little Oriole becomes deathly sick in the midst of her deathbed scene and rushes off the stage. After much urging on Mal's part, Hattie breaks her engagement to Mr. Wampler. She confesses her love to Mal and "goes on with the show" in Oriole's part. Curtain!

Praise is due to Miss Haverstack for the ability by which she developed the following cast: Helen Masters, "Oriole Hartley, Eva the Fifth;" Robert Nist, "Mal Thorne," the jealous-hearted hero; Helen Spiker, "Hattie Hartley, Eva the Fourth;" Dean McCormick, "Tracey Boone," the "Uncle Tom" of the show; Dorothy Young, "Connie Bard," the "Topsy;" Georgia Shrigley, "Grace Steeple," the "Aunt Ophelia;" Bernard Harter, "Mr. Wampler," the small-town merchant; David Temple, "Leon Montrose;" Natela Milburn, "Lorna Montrose;" John Allensworth, "Dave Amazon," Mal's right-hand man; Jacob Libertore, "Ed Bondell;" Mary Hebert, "Jane Truxton;" Leonard Wallace, "Jeff Morgan;" Robert Cornelius, "Ernest Beaumont;" Walter Walker, a flagman on the train; last but not least "Violet," the bloodhound of the "show." Every person of the cast worked hard to make the play a success and deserves merit for the fine acting.

Miss Martha Bozman and the Stage Craft Club took charge of the scenery in fine fashion, and the Junior class co-operated by selling the tickets.

BANK AGENTS

ONE of the many beneficial features of McKinley High is the bank day. It is a comparatively new organization. Every Tuesday is set as thrift day. At this time agents, who are student representatives of the Geo. D. Harter Bank, take care of the deposits. The person wishing to save has his own bank book. The agent records the deposit on it and at the same time gets the carbon copy which is the bank's record of the deposit. The carbon copy is torn out of the book and after they have been collected they are sent with the money to the bank. This work is taken care of by very competent and trustworthy people.

The record of McKinley has been commendable. There have been thirty-four bank days. The number of depositors is 20,519 and far excells former years. The amount deposited is $12,316.91, although the idea is not how much one can save but the habit one acquires. In a survey of the high school banking in the State of Ohio, McKinley ranked twenty-ninth with 41.4 per cent. The aim of every home room is 100 per cent. Blue and gold cards are given to the rooms reaching the goal.

There are seventy-nine agents whose work has been very successful. These people do excellent work and receive very little credit.

We wish to express our gratitude to Geo. D. Harter Bank for the interest it has shown in this project.

SENIOR COMMITTEES

MUCH credit should be given to the committees who were responsible for the management of the parties held this year. Each one of the various social occasions was attended by a large proportion of the class and all who went voted them a great success. Three parties were given, all of which were held in the music room of the school.

The first party was in the form of a Halloween Masquerade. Several contests were staged during which several of the guardians told the fortunes of those who profess themselves as believers in the irony of fate. Dancing followed during the remainder of the evening.

Next in order was a Valentine party. The music room was festooned with hearts and dancing was the main feature of entertainment.

A large and congenial crowd attended the annual Senior farewell party. The vaudeville skit, given by two juvenile players from the Palace Theater, was followed by dancing.

Those on the entertainment committee were as follows: Ben Fawcett, Don Wason, Joseph Zeren, Elsie Gould, Shirley Roos, and Bernice Converse. Refreshments at the parties were provided by Lottie Miller, James Smith, Paul Horst, Frederick Roberts and Rose Gills. Serving on the decoration committee were Barbara Hodnick, Dorothy Hennessey, Venetia Johnson, DeVere Bassinger, Gretchen Boyce, Don Ruch, Kenneth Adams, James Waldman, Frank Saunders and Don Rittersbaugh.

The Senior class wishes to express its thanks for their services.

QUILL AND SCROLL

THE McKinley High School chapter of the Quill and Scroll, The National Honorary Society for High School Journalists, is one of the largest organizations in McKinley. It is composed of members of the publication staffs, who have maintained a high scholastic standard and have performed an appreciable amount of service on their respective staffs. The chapter was organized last year and the first members were chosen from last year's staff. Membership is chiefly honorary and the main activity is an annual party.

Graduates of McKinley who have been members of the society are entitled as alumni to participation in all of the club's activities.

The national organization consists of nearly three hundred chapters with seven thousand members wearing the badge of the society. Its work consists of encouraging and awarding unusual achievements in journalism and sponsoring journalistic contests in many fields of creative work. The best material submitted in these contests is published yearly in a book, "The Best Creative Work in American High Schools."

The officers are: Owen Walker, *president;* William Bruce, *vice-president;* Virginia English, *secretary-treasurer.* Members elected to the society during the last year are: Dorothy Bate, Robert Bridge, Bernice Converse, Paul Horst, Robert McBane, Alice Miller, Lillian Naegellan, Dorothy Noble, Mildred Parks, Florence Reese, Shirley Roos, George Sell, Evelyn Van Kirk, John Willig, Katharine Zaugg, Margaret Zur Linden. Faculty advisors are Miss Bair and Mr. Headley.

If Germs were Huge as Dragons

If germs as huge as dragons roamed your rugs, with what awe you would regard the instrument which devoured them! But germs are none the less terrifying because they are infinitely small. Nor is the marvel less because The Hoover removes them so easily.

Rather it is greater, for the ability of The Hoover to gather up, in its cleaning, millions of these germs only shows how thoroughly it removes *all* types of dirt from your floor coverings.

This it does through a combination of three separate cleaning principles, beating and sweeping and suction. The most remarkable of the three is the exclusive beating principle—"Positive Agitation."

It enables The Hoover to remove more *dirt per minute* than any other cleaner.

Ask your local Hoover dealer for a home demonstration of "Positive Agitation." Three Hoover models, $59.50, $75 and $135. Only $6.25 down. Allowance for old cleaners.

To CANTON'S YOUTH

Whom We Believe In

SO LIVE that your after self—the man you ought to be—may in his time be possible and actual. Far away in the thirties, the forties, the fifties of the Twentieth Century, he is awaiting his turn. His body, his brain, his soul are in your boyish hands. He cannot help himself. What will you leave for him? Will it be a brain unspoiled by lust or dissipation, a mind trained to think and act, a nervous system true as a dial in its response to the truth about you? Will you, Boy of Today, let him come as a man among men in his time, or will you throw away his inheritance before he has had the chance to touch it? Will you let him come, taking your place, gaining through your experience, happy in your friendships, hallowed through your joys, building on them his own, or will you fling his hope away, decreeing, wanton-like, the man you might have been shall never be? —*David Starr Jordan*

When You Read This

REMEMBER that your goal in life, your objective that your four years here at school will help you to attain, will depend upon your physical being also. Why not continue the sports and the physical activities that have been the source of a great part of your school fun right down at the Y?

A summer membership will permit you to enjoy a refreshing shower, an invigorating swim and all the "Indoor" or base and hand ball you have time for during the warm summer months.

You can have complete gym and pool privileges with the same old crowd for the very reasonable sum of five dollars.

Why not organize a Y group now and when the other fellows are sweltering there will always be that cool inviting pool awaiting you and your gang right here in town.

Remember also that it won't be long before the Y camp opens. No details are necessary when it comes to a Y camp, just as no event in a regular fellow's life can quite equal those cherished hours spent at Turkeyfoot every year.

Decide now to line up your friends. Complete information awaits you on any and all Y activities at the desk.

SCHOOL DAYS!

A MAN of sixty, speaking before an audience of high school students in one of the great schools of this state said, "I have been having a better time every year of my life than I had the year before. At that rate I will be having the time of my life when I am eighty."

To enjoy living, one must have the means with which to enjoy life. The person who has found the secret of saving something regularly has the means to go and come as he pleases and also has his mind free from worry over financial problems.

While you are enjoying your school days, we suggest that you start a savings account in the County's largest bank.

HERE is something that's better than rubies,
And nobler than riches or fame;
It will strew all your future with roses,
If you work to keep bright a good name.
It will give you a seat beside princes;
It will save you from harm and from shame,
But be sure no misfortune can rob you
Of that gift of all gifts, a good name.

AGATHON STEELS
TRADE MARK

TWO LEADERS

HIGH ideals that mark the scholastic and athletic endeavors of McKinley High have helped to make it a leader among Ohio high schools. Standards no less lofty have helped Central Alloy Steel Corporation to its present leadership in the making of alloy steels. Every product produced under the name "Agathon" must meet the requirements of its translated meaning, "Utmost in Quality."

Hands as Soft as a Duchess!

Yet— Hands that helped Mother do *Housework* All Day Long

You've gone through High School, and have the hands of a Duchess; caressing hands, lovely, soft and alluring. Hands that from all appearances never did a single useful thing in all their precious days.
You'll want to retain them too, forever; yet Mother now will call on you to help with many home tasks.
You need not fear for your hands.
To the water, add one tablespoonful of Climalene. That is all. That instantly takes the harshness out of hard water—makes it soft and gentle as rain water.
You'll do your work in one-half the time—dishes, floors, laundry work. And when you take your hands out, they are soft and white—soft as a child's.

· BECOME AN EXPERT ·

THERE is a constant demand for stenographers who can take fast dictation and transcribe it accurately—typists who can type neatly, rapidly and accurately—accountants who can keep books without supervision—private secretaries who can handle detail with precision.

A WELL-KNOWN SCHOOL

The Canton Actual was established in 1876 and today is one of the largest and oldest schools of its kind in Ohio. Hundreds of its graduates are now filling responsible executive positions. This is your guarantee of complete satisfaction.

Expression

Conveyance of expression, whether it be in fine arts or in modern business, expression means primarily having an appeal of beauty, otherwise it is only indifferently received.

In this age of jazz, rouge and lipstick it would be surprising if the spirit of the times were not reflected to some degree in types, typography and printing. It has among other things and in certain circles—particularly in advertising—put types and typography in the same category as milady's frocks, that is subject to the whims of fashion.

Therefore, in the selection of your printer, use discretion. Select the one that can handle your problems and create modern ideas.

This Annual was printed by us.
